The Honorable R. David Paulison
Acting Director
Federal Emergency Management Agency
Washington, D.C. 20472

Dear Mr. Paulison:

I have determined that the damage in certain areas of the State of Hawaii resulting from severe storms, flooding, landslides, and mudslides during the period of February 20 to April 2, 2006, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes such amounts as you find necessary for Federal disaster assistance and administrative expenses.

You are authorized to provide Individual Assistance and Public Assistance in the designated areas, as well as Hazard Mitigation throughout the State. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance, Hazard Mitigation, and Other Needs Assistance will be limited to 75 percent of the total eligible costs. Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.

Sincerely,
